## 29 CFR Ch. XL (7–1–09 Edition)

assets or at least 5 percent of the person's stock or partnership interest, made on or about the net worth record date.

(4) A statement of the person's current financial condition and business history.

(5) A statement of the person's business plans, including projected earnings and, if available, dividend projections.

(6) Any appraisal of the person's fixed and intangible assets made on or about the net worth record date.

(7) A copy of any plan of reorganization, whether or not confirmed, with respect to a case under title 11, United States Code, or any similar law of a state or political subdivision thereof, involving the person and occurring within 5 calendar years prior to or any time after the net worth record date.

(c) *Incomplete submission.* If a contributing sponsor and/or members of the contributing sponsor's controlled group do not submit all of the information required pursuant to paragraph (a) of this section (other than the estimate described in paragraph (b)(1) of this section) with respect to each person subject to liability, the PBGC may base determinations of net worth and the collective net worth of persons subject to liability in connection with a plan termination on any such information that such person(s) did submit, as well as any other pertinent information that the PBGC may have. In general, the PBGC will view information as of a date further removed from the net worth record date as having less probative value than information as of a date nearer to the net worth record date.

### § 4062.7 Calculating interest on liability and refunds of overpayments.

(a) *Interest.* Whether or not the PBGC has granted deferred payment terms pursuant to § 4062.9, the amount of liability under this part includes interest, from the termination date, on any unpaid portion of the liability. Such interest accrues at the rate set forth in paragraph (c) of this section until the liability is paid in full and is compounded daily. When liability under this part is paid in more than one payment, the PBGC will apply each pay-

ment to the satisfaction of accrued interest and then to the reduction of principal.

(b) *Refunds.* If a contributing sponsor or member(s) of a contributing sponsor's controlled group pays the PBGC an amount that exceeds the full amount of liability under this part, the PBGC shall refund the excess amount, with interest at the rate set forth in paragraph (c) of this section. Interest on an overpayment accrues from the later of the date of the overpayment or 10 days prior to the termination date until the date of the refund and is compounded daily.

(c) *Interest rate.* The interest rate on liability under this part and refunds thereof is the annual rate prescribed in section 6601(a) of the Code, and will change whenever the interest rate under section 6601(a) of the Code changes.

(1) The numerator of which is the number of the employer's employees who are participants under the plan and are separated from employment as a result of the cessation of operations; and

(2) The denominator of which is the total number of the employer's current employees, as determined immediately before the cessation of operations, who are participants under the plan.
